Date:

Name:

Title of the proposed project:

Institute:

Adresse:

E-mail:

Provide a 200 word summary of your proposal:

3 keywords:

1. Describe the rationale and significance of this request and how it relates to theory and/or ethology in general (1 page maximum)

2. What are your hypotheses and predictions? (1/2 page maximum)

**3. What methods, data and statistics will be used to answer your question(s)?
Please be specific. (1/2 page maximum)**

4. Please provide a timeline for this project.

5. Budget – Please provide detailed information for all expenditures not to exceed € 500.00. Do you have additional funds for this project? If so, please list funding sources and amounts.

6. References

7. CV (applicant)

8. Support by supervisor (Short statement)

_____ will work on a Master project in my group beginning _____.

Further support:

Date: _____ **Signature/Institution** _____

Declaration:

I hereby confirm that I am an active member of the "Ethologische Gesellschaft", that I will be involved actively in the collection of the data, and will report on the results either in the "EthoNews" or by a spoken contribution or a poster at the ECBB or one of the "Topical Meetings" of the Ethologische Gesellschaft within the next 2-3 years.

I know that I will have to use the granted money within one year from the date of approval of the grant. Once the project is completed I will send my research report along with proof how the funds were spent to the treasurer.

Send this application AS ONE PDF DOCUMENT to the manager of the Ethologische Gesellschaft (email: Sylvia Kaiser <kaisesy@uni-muenster.de>).
